Fall

State of Being

Lost again
Disappear from everyone
Stuck between
Where I need to go
And where I'm going

They always say it was stupid.
Don't you know that's the only way to hurt me?
I guess I'll go away now
If all I can do is hurt you.

It's all what you think it is
It's all the same in my head.
Forget myself in this
Forget myself in this
Forget myself in everything

Please forgive me.
Please forgive me.
Please forgive me.
Please forgive me.
Please forgive me.
Please forgive me.
Please forgive me.

They always said it was stupid
But you know it's the only way to hurt me
I guess I'll go away now.
All I can do is hurt you.
