The Olde HeadBoard

Rasputina

What becomes a legend most?
I'll let you think about it Space Ghost coast-to-coast
While I give thanks today
For all the things I stole and all the things I gave awayYou make experiment
You try to teach a lesson and then take a stand
A fake handshake
Don't make no manI don't know about a year ago
Or so I must have made you up in my head
What did I base you on?
Was it a Broadway show I saw, a hot new book I read?Half-baked, you come at me
You know I told you not to call here no more
The New Best Friend
The Olde HeadboardYo no comprendo, mi amour
Oh no, yo no comprendo
The New Best Friend
The Olde HeadboardWhere'd you get the dumb idea
For all the secretive platonic dating?
I have experience
In the love and the lives of man and machineYo no comprendo, mi amour
Oh no, yo no comprendo
The New Best Friend
The Olde HeadboardWhat becomes a legend most?
The love and lives of man and machine
(Olde Headboard)What becomes a legend most?
The love and lives of man and machine
(Olde Headboard)What becomes a legend most?
The love and lives of man and machine
(Olde Headboard)What becomes a legend most?
The love and lives of man and machine
(Olde Headboard)What becomes a legend most?
The love and lives of man and machine
(Olde Headboard)What becomes a legend most?
The love and lives of man and machine
(Olde Headboard)The love and lives of man and machine
