

# The Olde HeadBoard

## Rasputina

What becomes a legend most?  
I'll let you think about it Space Ghost coast-to-coast  
While I give thanks today  
For all the things I stole and all the things I gave away You make experiment  
You try to teach a lesson and then take a stand  
A fake handshake  
Don't make no man I don't know about a year ago  
Or so I must have made you up in my head  
What did I base you on?  
Was it a Broadway show I saw, a hot new book I read? Half-baked, you come at me  
You know I told you not to call here no more  
The New Best Friend  
The Olde Headboard Yo no comprendo, mi amour  
Oh no, yo no comprendo  
The New Best Friend  
The Olde Headboard Where'd you get the dumb idea  
For all the secretive platonic dating?  
I have experience  
In the love and the lives of man and machine Yo no comprendo, mi amour  
Oh no, yo no comprendo  
The New Best Friend  
The Olde Headboard What becomes a legend most?  
The love and lives of man and machine  
(Olde Headboard) What becomes a legend most?  
The love and lives of man and machine  
(Olde Headboard) What becomes a legend most?  
The love and lives of man and machine  
(Olde Headboard) What becomes a legend most?  
The love and lives of man and machine  
(Olde Headboard) What becomes a legend most?  
The love and lives of man and machine  
(Olde Headboard) What becomes a legend most?  
The love and lives of man and machine  
(Olde Headboard) The love and lives of man and machine
