

World of Chances

[Demi Lovato](#)

You've got a face for a smile you know
A shame you waste it when you're breaking me slowly
But I've got a world of chances for you
I've got a world of chances for you
I've got a world of chances, chances that you're burning through I've got a paper and pen
I go to write you goodbye and that's when I know
I've got a world of chances for you
I've got a world of chances for you
I've got a world of chances, chances that you're burning through Oh, I'm going my own way, my faith has lost
its strength again
Oh, it's been too hard to say, we've fallen off the edge again
We're at an end, we're at an end Maybe you'll call me someday
Hear the operator say the number's no good
And that she had a world of chances for you
She had a world of chances for you
She had a world of chances, chances you were burning through
Chances you were burning through, chances you were burning through
