

The Shadow of Your Smile

[Nancy Lamott](#)

The shadow of your smile
When you have gone
Will color all my dreams
And light the dawnLook into my eyes
My love, and see
All the lovely things
You are, to meOur wistful little star
It was far, too high
A teardrop kissed your lips
And so, so did INow when I remember spring
And every little lovely thing
I will be remembering
The shadow of your smile
Your lovely smile
