

Some Kind Of Wonderful

Talib Kweli & Hi-Tek

All you have to do is touch my hand
To show me you understand
And something happens to me
That's some kind of wonderful
Anytime my little world is blue
I just have to look at you
And everything seems to be
Some kind of wonderful
I know I can't express
This feeling of tenderness
There's so much I want to say
But the right words just don't come my way
I just know when I'm in your embrace
This world is a happy place
And something happens to me
That's some kind of wonderful
Some kind of wonderful
(Sweet lips)
Some kind of wonderful
Wonderful, wonderful
(Warm eyes)
(Soft sighs)
Some kind of wonderful
Some kind of wonderful
(Sweet lips)
Some kind of wonderful
Wonderful, wonderful, wonderful
(Warm eyes)
Some kind of wonderful
(Soft sighs)
