

Yeah Yeah Yeah

Rahsaan Patterson

Yeah...lovely, lovely, oooh ooooo du dudVerse 1

A bitter night

A starry pill

I'm gone end up loving the way I feelThe sun is shining

Stick me up here

One touch leads to much you know the dealVerse 2

The purple kind

A heated chill

I'm gone end up bringing the morning inOn a high

Standing still

No use coming down with time to killChorus

I feel it all over me - yeah yeah yeah

yeah yeah yeah yeah yeah yeah yeah

I feel it all lovely - yeah yeah yeah

yeah yeah yeah yeah yeah yeah yeah yeah yeahVerse 3

The mood is right

and we can build

I'm gone end up bringing the mood to tearsUp and fly

A spirit thrill

If the Holy Ghost don't save ya, I know love willRepeat chorusyeah, yeah, yeah,eeeeeee, heeee heeee heeee,
heeeeee
