Person to Person

Elmore James

Don't sent, don't write no letter,
stay away from your telephone
I need you Person To Person,
sent your little fine self on home
Don't sent me no message,
you know I'm all alone
I need you Person To Person,
bring your little fine self on homeAin't no use to telephonin' me
I can't love no telephone
All the time you're telephonin' me
you could be coming home, ooh baby
Don't call me on the phone,
I need you Person To Person,
bring your little fine self on homeOoh yeah, babe, don't talk to me on the phone,
I need you Person To Person
Bring your little fine self on home
Ain't no use to telephonin' me,
I can't love no telephone
All the time you're telephonin' me,
you could be coming home, ooh baby
Don't call me on the phone,
I need you Person To Person,
bring your little fine self on homeAin't no use to sent no letter,
I can't hold no paper tight
Ain't no use to sent no message,
it can't talk to me all night
Ooh baby, don't call me on the telephone,
I need you Person To Person,
bring your little fine self on home
