Hot to the Touch

Grace Potter

Forgive me if I'm not myself tonight
My body's in a battle with my mind
Intoxicated with a dangerous desire
You struck the match and now I can't control the fireDon't, you don't you want me baby
Don't, you don't you feel the sameThis love is hot, hot to the touch
A little too much is never enough
This love is hot, hot to the touch
A little too much for people like usOh, oh, oh
Oh, oh, oh
Oh, oh, ohDriving home at night I'm aching for your touch
Barely breathing, I'm so caught up in this heavy rush
Is it possible to want something too much
'Cause one night with you is never quite enoughDon't, don't you want me baby
Don't, don't you feel the sameThis love is hot, hot to the touch
A little too much is never enough
This love is hot, hot to the touch
A little too much for people like usI know you know I want you baby
You know I know you feel the sameThis love is hot, hot to the touch
A little too much is never enough
This love is hot, hot to the touch
A little too much for people like usOh, oh, oh
Oh, oh, oh
Oh, oh, ohOh, oh, oh
So hot to the touch (oh, oh, oh)
Oh, oh, ohOh, oh, oh
Oh, oh, oh
