

Jesus Is Born

Sarantos

The air feels clean
The sky is quiet
The moon is dreaming
This feels, this feels like the nightSomething special will happen
Something memorable
Something quite drastic
Man's future path, will be changed foreverForever!Jesus is born
Let the angels rejoice
Jesus is born
Mankind will now have a choice
Jesus is born
And the world will be saved
Jesus is born
And the world will never be the sameThe time is now
The moment is right
The animals know somehow
This feels, this feels like the moment in timeSomething special has happened
Something meaningful
Something rather fantastic
Heaven's doors will soon be opened foreverForever!Jesus is born
Let the angels rejoice
Jesus is born
Mankind will now have a choice
Jesus is born
And the world will be saved
Jesus is born
And the world will never be the sameJesus is born
Let the angels rejoice
Jesus is born
Mankind will now have a choice
Jesus is born
And the world will be saved
Jesus is born
And the world will never be the sameLittle baby Jesus is born
And the world is saved
Forever
