

# Just Friends

## Frank Sinatra

Just friends, lovers no more  
Just friends, but not like before  
To think of what we've been  
And not to kiss again  
Seems like pretending  
It isn't the ending Two friends, drifting apart  
Two friends, but one broken heart  
We loved, we laughed, we cried  
Then suddenly love died  
The story ends and were just friends We loved, we laughed and we cried  
And suddenly love died  
The story ends and were just friends
