

Love Stands Waiting

[Matthew West](#)

Whoever said you can't go back
Whoever sold you a lie like that
Whoever said you could fall too far
Did you forget whose child you are Well, truth is I've been counting the days
'Til My tear stained eyes see your beautiful face
And I leave every light on to lead you home
So come home, come back home
Love stands waiting for your return
Love stand hoping you'll come back from wherever you were When you can't stand on your own anymore
Love stands waiting for
So what are you waiting for
Guilt steals any hope of your return
But grace heals all the bridges burned
So drop that heavy load your bare
Yesterday's behind you, so leave it there
Don't you know how much I love you, come back home
Don't you ever stop believing
