

Scene Nine: Finally Free

Dream Theater

"You are once again surrounded by a brilliant white light.

Allow the light to lead you away from your past and into this lifetime.

As the light dissipates you will slowly fade back into consciousness remembering all you have learned.

When I tell you to open your eyes you will return to the present,
feeling peaceful and refreshed.

Open your eyes, Nicholas."Friday evening

The blood still on my hands

To think that she would leave me now

For that ungrateful manSole survivor

No witness to the crime

I must act fast to cover up

I think that there's still timeHe'd seem hopeless and lost with this note

They'll buy into the words that I wrote"This feeling inside me

Finally found my love, I've finally broke free

No longer torn in two

I'd take my own life before losing you"Feeling good this Friday afternoon

I ran into Julian

Said we'd get together soonHe's always had my heart

He needs to know

I'll break free of the Miracle

It's time for him to goThis feeling inside me

Finally found my love, I've finally broke free

No longer torn in two

He'd kill his brother if he only knewTheir love renewed

They'd rendezvous

In a pathway out of view

They thought no one knew

Then came a shot out of the nightOne last time

We'll lay down today

One last time

Until we fade away

One last time

We'll lay down today

One last time

We fade awayAs their bodies lie still

And the ending draws near

Spirits rise through the air

All their fears disappear, it all becomes clear

A blinding light comes into view

An old soul exchanged for a new
A familiar voice comes shining through
This feeling inside me
Finally found my life, I'm finally free
No longer torn in two
I learned about my life by living through you
This feeling inside me
Finally found my life, I'm finally free
No longer torn in two
Living my own life by learning from you
We'll meet again my friend someday soon

be a member of American nobility. And as you can imagine, as
the skies have grown darker here over Washington, the mood
has grown darker as well and people here are beginning to
resign themselves to the possibility that they are witnessing yet
another tragedy in a long string of misfortunes. Reaction from
everywhere, from Washington and certainly from around the
