Pretending

Ryan Beatty

Time, Time is what you said that you were needing
Away from me, But I
I guess that I was too far in the distance to even seeThat things between us now, just havent quite been the same
Can we figure out which one of us is to blame
Cuz I cant go onAnd Ohh
Why are we pretending
Why are we just wasting time
On a love that isnt real
Because if you dont want me, You should just tell me now
So I can save these tearsYou, You said that you would never ever hurt me
But I guess that was a lie
Cuz its killing me to watch you stay when I,
I know this is goodbyeIts hard for me to think that maybe this is the end
You were my heart, baby you were my best friend
But we cant go onAnd Ohh
Why are we pretending
Why are we just wasting time
On a love that isnt real
Because if you dont want me, You should just tell me now
So I can save these tearsWe try to make it work but we just cant make it last
We need to move on, stop living in the past
And I dont even know how our love got so strange
Its not the sameAnd Ohh
Why are we pretending
Why are we just wasting time
On a love that isnt real
Because if you dont want me, You should just tell me now
So I can save these tearsLet me save these tears
