Wind You Up

Bernhoft

I know the situation looks pretty dire
Your social life has been consumed in a fire
No dough no go; it's not that life you desire
Who'll come to the rescue?
Who'll come to the rescue?Every day you just wanna sit down and cry
Brings you lower when you need to go high
Just lean back, you don't even need to decide
Who'll come to the rescue?
Who'll come to the rescue?Wind you up, oh, oh
Wind you up, oh, oh
Wind you up, I'll be up here in your place
Wind you up, up, up
Wind you up, I'll be up here in your placeI don't who you been listening to
But you can't get out of this by yourself
Maybe your dad told you to invent the wheel over
But I'll be right there!Wind you up, oh, oh
Wind you up, oh, oh
Wind you up, I'll be up here in your place
Wind you up, up, up
Wind you up, I'll be up here in your place
Wind you up, oh, oh
Wind you up, up, up
Wind you up, I'll be up here in your place
Wind you up, yeah
Wind you up, up, up
Wind you up, I'll be up here in your placeYou want me
You need me to wind you up
I'm never out of your way
I'll always be of assistance.
You want me, you need me to undo up
Cause a storm is brewing, winter's coming.When you'll be cooking
(Wind you up)
When you're asleep
(Wind you up)
I'll just be looking
(I'll be up here in your place)
When you'll be working out
(Wind you up)
When you're on heels

(Wind you up)
When you'll be making love
(I'll be up here in your place)
When you'll be rocking out
(Wind you up)
When you're on heels
(Wind you up)
When you'll be making love
(Wind you up)
(I'll be up here in your place)
When you'll become...
(Wind you up)
When your man fly
(Wind you up)
You spring for..
(Wind you up)
I'll be, I'll be up here in your place
