

Laying on a Bed of Roses

The Muffs

When I do everything for you
And you say that you want it too
I miss the point completely
And you don't understand Then I completely get all mad
And look the part and treat you bad
I've more fun laying on a bed of roses Oh boy, I now can hardly wait
Do everything so you can hate
Behind my back imeuic
And I don't understand Again I should be telling you
I'll do what I'm supposed to do
I've more fun laying on a bed of roses
