Shadows

Joe Walsh

I am standing in the middle of my shadow
In between the daylight hours
And when the sun go down

We are hiding in the shadows
We are silent, we have nerve
Like to think out loud
We just don't think out loud

And the shadows grow
And the shadows play
And we all cast shadows
And shadows know

Who is standing in the shadows
Who is lying, lying in the shade
Lying to their shadow

And the shadows grow
And the shadows play
And we all cast shadows
And the shadows know

Who is standing in the shadows
Who is lying, lying in the shade
Lying to their shadows
