

Snowfall On The Sahara

Natalie Cole

Your love, like wine
Tasting sweeter to me everyday
Your kiss, divine
And it melts the cold inside awayAll of
(All of)
My life
(My life)
I've been waiting for a love like this
And now
(And now)
That you're here
Romance is just a second away
It's gonna stayTill the snow falls on the Sahara
(Aah aah)
And the sun freezes over
(Aah)
Till the Mojave red turns into blue
(Aah aah)
When my lungs get tired of breathing
(Aah aah)
And my heart stops its beating
(Aah aah)
Then I'll stop loving youAnd if
(And if)
The dark
(The dark)
When there's no one calling out your name
Well, I'll hold
(I'll hold)
You so tight
And I'll whisper to you once again and againWhen the snow falls on the Sahara
(Aah aah)
And the sun freezes over
(Aah aah)
When the Mojave red turns into blue
(Aah aah)
When the music's no longer playing
(Aah aah)
And the faithless stop praying

(Aah aah)
I'll stop loving you When the snow falls on the Sahara
(Aah aah)
(Oh, oh)
And the sun freezes over
(Aah aah)
When the Mojave red turns into blue
(Aah aah)
(That's a long time)
(When my lungs get tired of breathing)
(Ohh woh)
And my heart stops its beating
(Aah aah)
I'll stop loving you I don't wanna miss a single heartbeat
Sometimes my words get in the way
But I hear your love just fine
(Aah aah aah)
Just fine
(Aah aah aah)
And it's gonna take a long time When the snow falls on the Sahara
(Aah aah)
And the sun freezes over
(Aah aah)
When the Mojave red turns into blue
(Aah aah)
(That's a long time)
When the music's no longer playing
(Aah aah)
And the faithless stop prayin'
(Aah aah)
I'll stop loving you
(When the snow falls on the Sahara)
(Oo, ow)
(Woh woh wo woh)
And the sun freezes over
(Aah aah)
When the Mojave red turns into blue
(I'll be loving you, baby)
(When my lungs get tired of breathing)
And my heart stops its beating
