Everyone is Beautiful

Long Beach Shortbus

She got a wooden leg with a kickstand
No teeth, lives in the trashcan
Well hey lady, what the heck?
Let's go to my pad and throw a beer back

She told me her life story
About how she got down, went back in the 60's
Jim Morrison, Janis Joplin
Jimi Hendrix, and even Ozzy Osbourne

She partied, from the 70's, and 80's,
and the 90's to the 21st century
Was a long, long road, she needs a lighter load
She needs a little love Lord

Well everyone is beautiful, everyone is beautiful
I see alot of ugly people on the street
But with a little love, they wouldn't be so ugly no
Well everyone is beautiful, everyone is beautiful
I see alot of ugly people on the street
But if they wasn't so broke, they wouldn't be so ugly no

This man, have you seen in Long Beach?
He seems kinda odd, walking down 2nd street
I never seen him slow down
Never seen him frown, or ask for a handout

I got to wear his shoes
But only way I could was putting on a costume
Army jacket and a mask with a beard
He saw me that night and looked at me like I was wierd

Well everyone is beautiful, everyone is beautiful
I see alot of ugly people on the street
Well if they wasn't so rough, they wouldn't be so ugly
Well everyone is beautiful, everyone is beautiful
I see alot of ugly people on the street
If they had a lighter load, just a little love Lord

Woman had no teeth at all, but she smiled at me

And it dawned on me, she's beautiful
Someone made her feel so small, she looked at me
She couldn't see we're beautiful

Well everyone is beautiful, everyone is beautiful
I see alot of ugly people on the street
Well if they wasn't so rough, they wouldn't be so ugly
Well everyone is beautiful, everyone is beautiful
I see alot of ugly people on the street
If they had a lighter load, just a little love

Smiled at me
And it dawned on me, she's beautiful
Woman had no teeth at all, she smiled at me
And it dawned on me, she's beautiful
Someone made her feel so small, she looked at me
She couldn't see we're beautiful
