

# The Way We Are

## Cinema Bizarre

We have been told  
There's only one way to go  
But we live different lives  
Dreams to unfold  
Like a kaleidoscope  
Reflecting hundred skiesNo hiding  
No faking  
This life cause it's amazing  
You want it  
You need it  
Beware! It's so contagiousCall it strange  
This is the way we are  
For beyond your dreams  
Break your chains  
Open your mind for more  
See what it's like to be  
The way we are  
The way we areWe are so high  
We dance on the edge of the sky  
Where no one dares to go  
Flashes of light  
Tell us the time is right  
To blow your mind once moreNo hiding  
No faking  
This life cause it's amazing  
You want it  
You need it  
Beware! It's so contagiousCall it strange  
This is the way we are  
For beyond your dreams  
Break your chains  
Open your mind for more  
See what it's like to be  
The way we are  
The way we areNo hiding  
No faking  
This life cause it's amazingCall it strange  
This is the way we are  
For beyond your dreams

Break your chains  
Open your mind for more  
See what it's like to be  
The way we are  
No hiding  
No faking  
This life cause it's amazing  
The way we are
