

# Islands (Sean Mackey Remix)

## Young the Giant

Five days  
Underwater  
Near your island  
Off the coast  
I know  
Five ways  
You were my lover  
Incantation  
Off the tide  
In rhyme  
Oh, what if the whole world finds you waiting  
Oh, as it can so long now have  
Oh, I thought you knew that I'd be coming  
The way you move, a foreign groove, at night  
I could never hold you  
Watch it rise and where you hide your pearl  
Feel the tide low where you cast those stones you wear  
When no one's home, do they feel cold on your bones  
All the years I miss your warmth  
Have you missed my warmth?  
On your island
