Metronomy

Well, it's the hardest part you'll never know
Yeah, it's the hardest part you'll never know
I tried to capture it on video
But it's the hardest part you'll never knowYou push it in the ground for it to grow
I saw it on a television show
I got it from some guy I know
But it's the hardest part you'll never knowI saw the message that your lover wrote
I saw the message that your lover wrote
I sealed it safe inside an envelope
And then I hid it in the undergrowthYou burn the paper with the pen that wrote
I saw it on a television show
It helps to let those demons go
But the hardest part you'll never knowOpening your heart to someone
Fallen leaves for us, no funJust look what's been going on
Yeah love's got you holding on
By your fingernails
