

# I'm Not Your Hero

## Tegan and Sara

Standing where I am now, standing up at all  
I was used to feeling like I was never gonna see myself at the finish line  
Hanging on to parts of me, hanging on at all  
I was used to seeing no future in my sight line Sometimes it feels like they wanna remind me  
Send all those villains after me I'm not their hero  
But that doesn't mean that I wasn't brave  
I never walked the party line  
Doesn't mean that I was never afraid  
I'm not your hero  
But that doesn't mean we're not one and the same Feeling like I am now lighting up the hall  
I was used to standing in the shadow of a damaged heart  
Learning all I know now, losing all I did  
I never used to feel like I'd be standing so far ahead Sometimes it feels what I recovered you lost  
Sending your peaceful loss to me I'm not their hero  
But that doesn't mean that I wasn't brave  
I never walked the party line  
Doesn't mean that I was never afraid  
I'm not your hero  
But that doesn't mean we're not one and the same Sometimes it feels like the side that I'm on  
Plays the toughest hand, holds the longest stand  
Sometimes it feels like I'm all that they've got  
It's so hard to know I'm not what they want Sometimes it feels like the side that I'm on  
Plays the toughest hand, holds the longest stand  
Sometimes it feels like I'm all that they've got  
It's so hard to know I'm not what they want I'm not their hero  
But that doesn't mean that I wasn't brave  
I never walked the party line  
Doesn't mean that I was never afraid  
I'm not your hero  
But that doesn't mean we're not one and the same  
I do my best to walk the finest line  
Till I've had all that I can take
