Scary Films

Katie Melua

Scary films dont scare me
Now that youre around
Since you've been aroundNowadays I never cry
When the monster kills the guy
And the psychopathic wife
Kills the husband with a knifeHey baby, thanks for clearing my dreams
Of all those horror scenes
Which crept in uninvited
Im in love and Im so excited
Hey baby, thanks for clearing my dreamsScary films just make me smile
When you are here
When you are hereIn your arms Im not afraid
When the aliens invade
And the vampires just a joke
Cause I know hes just a blokeHey baby, thanks for clearing my dreams
Of all those horror scenes
Which crept in uninvited
Im in love and Im so excited
Hey baby, thanks for clearing my dreamsZombies marching through the mist
Make me think of being kissed
And I dont care when peoples heads
End up being torn to shredsHey baby, thanks for clearing my dreams
Of all those horror scenes
Which crept in uninvited
Im in love and Im so excited
Hey baby, thanks for clearing my dreams
Thanks for clearing my dreams
