

Wildest Dreams (New Jack Swing Remix)

Brandy

Oh, never, hey
Never, oh, never hey
Never, oh, never hey
Never, oh, never Out in an unknown place
Kinda like that feels
You came in my life and held me here
Just in the nick of time
When I lacked the will
To keep on moving on
You've been in my dreams, but from now
Couldn't figure out the reasons
I kept asking God why
And now I'm receiving abundance of love
And I get it,
But never could imagine it Never in my wildest dreams, no, no, no
Did I think someone could care about me, oh
Not just the way you love me
You know I'm emotional (sometimes)
Not in, not in, not in, not in my wildest dreams
Never in my wildest dreams (never in my life)
Did I think someone could care about me
(It's so beautiful)
Not just the way you love me
You know I'm emotional (sometimes)
Not in, not in, not in, my wildest dreams
Never, never, oh, never hey
Never, never, oh, never hey
Never, never, oh, never hey It's hard to hold back tears,
Whenever you hold me close
I think about the years
I spent saying this is all I want
Just wanted someone real to love me for me, me
Just Brandy
It seemed I had it all, that's what they thought
But I feeling like pain all over
Had to cover up the hurt (hurt, hurt)
Uh, I was sold many, nothing loved me
But I want love like this Never in my wildest dreams,
(Never in my wildest dreams)

Did I think someone could care about me, oh
(So beautiful)
Not just the way you love me
You know I'm emotional sometimes
(So emotional)
Not in, not in, not in, not in my wildest dreams
Never in my wildest dreams
(Couldn't have came in a better time)
Did I think someone could care about me
(Not the way that you do)
Not just the way you love me
You know I'm emotional sometimes
Not in, not in, not in, not in my wildest dreams I'll give all I have, for exchange
To have someone who love me for me
(Anything can be replaced)
Not love
There ain't no replacement, it either is or it ain't Never in my wildest dreams
(Never in my life, no)
Did I think someone could care about me, oh
(No beautiful)
Not just the way you love me
You know I'm emotional sometimes
(You know how I get)
Not in, not in, not in, not in my wildest dreams
Never in my wildest dreams, never in my life
Did I think someone could care about me
Not just the way you love me
(It's not just the way you love me)
You know I'm emotional sometimes
Not in, not in, not in, my wildest dreams
