The Notel Motel

Aaron Watson

G C
He starts to think when she winks that he's somewhere he shouldn't be
G D
He may be alone but at home someone's wearing his ring
G C
So he heads for the door and ignores the devil on his shoulder
D G
He'll do the right thing but someone's gonna break down and hold her
Chorus:
D C G
And there's a vacancy at home but not tonight at the Notel Motel
D C G
In a room full of lies where love is stolen or put up for sale
D C G
If the walls could talk you know they'd have some stories to tell
D C G
There's a vacancy at home but not tonight at the Notel Motel
G C
Once again another man walks in and orders him drinks for two
G D
Despite his wife and picture perfect life he's to good to be true
G C
While he's flirting she'd swear he's working on a job out of town
D G
A married man, you know he's got no business messing around
Chorus:
D C G
And there's a vacancy at home but not tonight at the Notel Motel
D C G
In a room full of lies where love is stolen or put up for sale
D C G
If the walls could talk you know they'd have some stories to tell
D C G
There's a vacancy at home but not tonight at the Notel Motel
G C
It's a five star chain or a run down dirt cheap no name
D G
With or without room service what done is the same
Chorus:

D C G
And there's a vacancy at home but not tonight at the Notel Motel
D C G
In a room full of lies where love is stolen or put up for sale
D C G
If the walls could talk you know they'd have some stories to tell
D C G
There's a vacancy at home but not tonight at the Notel Motel
