Never Too Late

Hedley

Hoping I can run today and get away faster
Than ever from here
Another night and who can say if leaving is better
Than living in fear
Here's to all the broken hearts tonight
Here's to all the "fall-a-parts" tonight
Here's to every girl and boy who lost their joy
They let it get away
You know it's never too late
Get up and start all over again
You know it's never too late
There's got to be a better way
Don't settle for the cold and rain
It's not too late to start again
To find a way to smile and never let it get away
It's been too long and we've been down and out without laughter
No smiling just tears
We're tired of falling down and being such a disaster
We've been here for years
Here's to all the broken hearts tonight
Here's to all the "fall-a-parts" tonight
Here's to every girl and boy who lost their joy
They let it get away
You know it's never too late
Get up and start all over again
You know it's never too late
There's got to be a better way
Don't settle for the cold and rain
It's not too late to start again
To find a way to smile and never let it get away
I'm gone, I'm gone
There's got to be a better way, I'm gone
I'm gone, I'm gone
There's got to be a better way, I'm gone
I'm gone, I'm gone
There's got to be a better way, I'm gone
I'm gone, I'm gone
There's got to be a better way, I'm gone
You know it's never too late

(I'm gone, I'm gone)
You know it's never too late
(There's got to be a better way, I'm gone)
You know it's never too late
(I'm gone, I'm gone)
You know it's never too late
(There's got to be a better way, I'm gone)
You know it's never too late
(I'm gone, I'm gone)
Get up and start over again
(There's got to be a better way, I'm gone)
You know it's never too late
(I'm gone, I'm gone)
You know it's never too late
(There's got to be a better way, I'm gone)
