No Need to Worry

Cactus

Well it's hard to be lonely
Feeling everyone is down on you
It's hard to be lonely
Feeling everyone is down on you
And you find out later on
That they care so much for youAnd you know it's hard to believe
The condition the world is in
Yeah it's hard to believe
The condition the world is inCause you get no way
You can't trust nobody
And every girl you know is insaneAnd no need to worry
One day things will come your way
And no need to worry
One day things will come your way
