

# Cthulhu

## Beastwars

Every story has an ending  
The engine is broken  
Someone call the captain  
Seemed to have lost another soul  
The ship, the ship is sinking  
Into the cold water souls  
This is our last time  
All the air gone cold  
Convoy moving on  
Left us here to die alone  
Long way from land  
No ones ever going home  
Bottom of the sea  
Did I think I would die here?  
In the middle of the sea
