Love and Peace or Else

U2

Lay down
Lay down
Lay your sweet lovely on the ground
Lay your love on the track
We're gonna break the monster's back
Oh, oh, hey, hey
Lay down your treasure
Lay it down now, brother
You don't have time
For a jealous loverAs you enter this life
I pray you depart
With a wrinkled face
And a brand new heartI don't know if I can take it
I'm not easy on my knees
Here's my heart, can't you break it?I need some release, release, releaseWe need love and peace
Love, love and peaceLay down
Lay down your guns
All you daughters of Zion
All you Abraham sonsI don't know if I can make it
I'm not easy on my knees
Here's my heart, I'll let you can break it
I need some release, release, releaseWe need love and peace
Love and peaceBaby don't fight, we can talk this thing through
You with me, me and you
I'll call on your phone, the TV is still on
But the sound is turned down
And the troops on the ground
Are about to dig inI wonder where is the love?
Where is the love?
Love and peace
Where is the love?
Where is the love?
Where is the love?
