Old Time Rock and Roll

Acoustikats

Just take those old records off the shelf
I sit and listen to them by myself
Today's music ain't got the same soul
I like that old time a-rock n' roll

Don't try to take me to a disco
You never even get me out on the floor
In ten minutes I'll be late for the door
I like that old time a-rock 'n' roll

Still like that old time a rock n' roll
That kind of music just soothes my soul
I reminisce about the days of old
With that old time a rock n' roll, hey!

Won't go to hear them play a tango
I better hear some blues or funky old soul
There's only one sure way to get me to go
Start playing old time an rock n' roll

Call me a relic, call me what you will
Say I'm old fashion, say I'm over the hill
Today's music ain't got the same soul
I like that old time an rock n' roll

Still like that old time an rock n' roll
That kind of music just soothes my soul
I reminisce about the days of old
With that old time an rock n' roll, oh!

Still like that old time an rock n' roll
That kind of music just soothes my soul
I reminisce about the days of old
With that old time an rock n' roll

Still like that old time an rock n' roll
That kind of music just soothes my soul
I reminisce about the days of old

With that old time an rock n' roll, hey!

Still like that old time an rock n' roll
That kind of music just soothes my soul
I reminisce about the days of old
With that old time an rock n' roll

Still like that old time an rock n' roll
