

Tesla Girls

O.M.D.; Orchestral Manoeuvres in the Dark

No
No, no, no
No, no, noTesla girls, Tesla girls
Testing out theories
Electric chairs and dynamos
Dressed to kill, they're killing me
But Heaven knows their recipeNo, no, noYou wouldn't believe me if I said
The things I've seen went over my head
I've been patient Heaven knows
I've learnt the rules and how it goesI can't sit still or settle down
And when I walk I don't touch the ground
See those girls they're heaven blessed
I guess it's so they know bestTesla girls, Tesla girls
Writing in their diaries
Now and then they'll watch TV
Now and then they'll speak to me
But Heaven knows their recipeNo, no, noYou wouldn't believe them if they said
The things they've seen went over their heads
They've been patient Heaven knows
They seem to care and so it goesThey can't sit still or settle down
And when they walk they don't touch the ground
See those girls they're heaven blessed
I guess it's so they know bestTesla girls
Tesla girls
Tesla girls
Tesla girlsTesla girls, Tesla girls
Testing out theories
Electric chairs and dynamos
Dressed to kill, they're killing meTesla girls, Tesla girls
I'm in love with Tesla girls
Now and then I watch TV
Now and then they'll speak to me
But heaven knows, but heaven knows
But heaven knows their recipeNo, no, no
No, no, no
No, no
No, no
No
