

# Homespun Love

## Steel Magnolia

Homespun love, yeah You spun your spell back a Sunday or two  
I ain't never met nobody like the likes of you  
Oh, you got me preaching the news You turned out my road and decided to stay  
And I took a like into your smile and your hillbilly way  
Oh and how you kiss on my face I got a bonny feeling  
You're the star of the good ol' days Well, I still remember you came by my trailer  
With some chicken legs and some homemade wine  
The dogs go to barking when we get to sparking  
We almost set the house on fire I get a bad heave from helping  
All the stuff I get a hungerin' for  
Honey your homespun love  
Keeps me coming back for more, yeah, yeah Yeah, I like the flamingos you stuck in your yard  
Oh and I like the notions  
That you stick in my head and my heart  
Oh and how you fix on my car Well, I reckon I'm lucky  
You're the best thing I found so far Hey, I still remember you came by my trailer  
With some chicken legs and homemade wine  
The dogs go to barking when we get to sparking  
We almost set the house on fire I get a bad heave from helping  
All the stuff I get a hungerin' for  
Honey your homespun love  
Keeps me coming back for more, one more time  
Honey your homespun love  
Keeps me coming back for more Honey your homespun love  
Baby, your homespun love
