

Epilepsy Is Dancing

Antony and the Johnsons

Epilepsy is dancing
Shes the Christ now departing
And Im finding my rhythm
As I twist in the snow All the metal burned in me
Down the brain of my river
That fire was searching
For a waterway home I cry glitter is love!
My eyes pinned inside
With green jewels
Hanging like Christmas stars
From a golden vein As I came to a screaming
Hold me while Im dreaming
For my fingers are curling
And I cannot breathe Then I cried in the kitchen
How I'd seen your ghost witching
As a soldering blue line
Between my eyes I cry glitter is love!
My eyes
Pinned inside
Sea green jewels
Hanging like Christmas stars
From a golden vein Cut me in quadrants
Leave me in the corner
Oh now its passing
Oh now Im dancin
