The Train I'm On

Tony Joe White

If you see the train I'm on
Wave to me goodbye
But don't you shed
No tears on account of me
You know I hate to see you crySometimes a train sounds lonesome
Sometimes it sounds soft and low
But every time I hear an old train whistle blow
It always makes me wanna get up and goIf you ever think about me
Now, should I ever cross your mind
Remember I'm a-coming back for you
Oh, it's only a matter of timeIf you see the train I'm on
But don't you shed no tears on account of me
Oh, I hate to see you cry
