

# Leaving At Daybreak

**Hans Theessink**

Hold me baby - one last time  
I'm leaving at daybreak - be gone a great long time  
Times getting harder - no jobs at all  
Go cross the boarder - won't be back til fall  
Go cross the the water - work on the land  
Go cross the the water - work for the man  
Try to make a dollar and come home again  
Hold me baby - one last time  
I'm leaving at daybreak - be gone a great long time
