I Need Your Love

Calvin Harris

I need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free with you tonight
I need your love
[Beat break]I need your love
I take a deep breath every time I pass your door
I know you're there but I can't see you anymore
And that's the reason you're in the dark
I've been a stranger ever since we fell apart
I feel so helpless here
Watch, my eyes are filled with fear
Tell me, do you feel the same?
Hold me in your arms again
I need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free with you tonight
I need your love
[Beat break]I need your love
Now I'm dreaming, will ever find you now?
I walk in circles but I'll never figure out
What I mean to you, do I belong?

I try to fight this but I know I'm not that strong
And I feel so helpless here
Watch my eyes are filled with fear
Tell me do you feel the same
Hold me in your arms again
I need your love
I need your time
When everything's wrong
You make it right

I feel so high
I come alive
I need to be free with you tonight
I need your love
[Beat break]I need your love
All the years
All the times
You havee never been to blame
And now my eyes are open
And now my heart is closing
And all the tears
All the lies
All the waste
I've been trying to make it change
And now my eyes are open
I need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free
[Beat break]
