# Where Do We Go from Here (Single Edit)

## Filter

These half-truths you're telling me
Won't bring me to my knees
Scraped up and bruised
From your fickleness I plead
Just let me feel some ease
From creatures of your greed
Just let me feel some ease from meI'm not so glad I met you
It makes me want to go away
Till you think it's over
I just?yeah yeah yeahWhere do we go from here
You know I'm not the only one
Where do we go from here
You know I'm not your only son
Where do we go from here
Stop dreaming 'bout the shiny gun
Where do we go from here
No, I'm not the only oneThese broken dreams are screams to me
The difference I can't see
The way you look and talk to me
Your cross at me I freeze
The combination of lost control
The loss of soul, I wheeze
Just give some ease to meI'm not so glad I met you
It makes me want to go away
Till you think it's over
I just?yeah yeah yeahWhere do we go from here
You know I'm not the guilty one
Where do we go from here
You know I'm not your only son
Where do we go from here
Stop dreaming 'bout the shiny gun
Where do we go from here
No, I'm not the only one
