Too Cool (feat. Ella Eyre)

Rudimental

Walking down streets I've been before
Bright lights, big city, gotta take it all
When all I gotta do is walk away
Then I know I'll feel betterYou're too cool to love me, you're too cool to love me back
You're too cool to love me, you're too cool to love me back
You're too cool to love me, you're too cool to love me back
You're too cool to love me, but it's cool I don't need that
I don't need that, I don't need that
You said before I don't need that, I don't need thatAlways find it hard to understand
Sometimes things don't go to plan
When all I gotta do is walk away
Then I know I'll feel betterYou're too cool to love me, you're too cool to love me back
You're too cool to love me, you're too cool to love me back
You're too cool to love me, you're too cool to love me back
You're too cool to love me, but it's cool I don't need that
I don't need that, I don't need that
You said before I don't need that, I don't need thatI want you, I want you yeah, I want you, I want you
I want you to say I want you, I want you to say I want you
To say I want you, to say I want you
To say I want you, yeah yeah
You said it before, you said it before
You said it before, you said it before
You said it before, you said it before
You said it before, you said it beforeYou're too cool to love me, you're too cool, I don't need that
You're too cool to love me, you're too cool, I don't need that
You're too cool to love me, you're too cool, I don't need that
You're too cool to love me, I don't need that
