## Jorja Smith

[Verse 1]
There's a life outside I didn't know
Tied up, falling down to this empty soul
And lord knows that this love has taken toll
I've given all of my love to this broken home[Chorus]
So why don't you lose yourself for me
Why don't you lose yourself for me
What is it that your eyes don't see
Why don't you lose yourself for me
Why don't you lose yourself, for me
[Verse 2]
It won't work if it don't make sense at all
I'm so lost that I can't see through the fall
The same stains that were left from the cherry whine
The same stains that I wish we could both rewind[Verse 3]
Did you notice that the feeling ain't happy no more
Did you notice it's the feeling you've been running from
You wouldn't notice if your eyes ain't falleing for me
Did you open up my heart, did you take it from me[Chorus]
So why don't you lose yourself for me
Why don't you lose yourself for me
What is it that your eyes don't see
Why don't you lose yourself for me
So why don't you lose yourself for me
Why don't you lose yourself for me
[Outro]
You lose yourself from playing games
Lose yourself, it ain't the same
You lose yourself from playing games
You lose yourself, it ain't the same
