Knock Down

ANSOL & Ken Loi

When I lay it all out on the table
Don't know what is stopping me
From feeling like I might be able
To enjoy my own companySitting up by my window
Watching the summer rain
The world is moving faster
Than I am in it todayKnockdown
Everybody in the place say what now
Ya souls feeling shot down
Lucks out
But ya gotta carry onSpeed it up now
Woo woo woo woo
Knockdown
Everybody in the place say what nowYa souls feeling shot down
Lucks out
But ya gotta carry on
Speed it up nowOhh, yeah, I got the feeling
That something could happen now
Ohh, I got the feeling
That something could happen
Inside my life nowAnd have you ever asked
Why you've been here before
'Cause only you have the power
To carry on through that doorKnockdown
Everybody in the place say what now
Ya souls feeling shot down
Lucks out
But ya gotta carry on
Speed it up nowWoo woo woo woo
Knockdown
Everybody in the place say what now
Ya souls feeling shot down
Lucks out but ya gotta carry on
Speed it up now
