

The Sweetest Sound

[Morgan James](#)

Acting like a soldier, march a little closer
Getting to the room where you lay down
Feel a little bolder doing what you told her
Moving to the places that you found And I'm gonna hear
Your voice inside my ear Been about a long time since I heard a sweet line
Coming from the mouth you call your own
Thought that it was gone now, even though I somehow
Wanted it to be the less unknown
And I'm gonna hear
Your voice inside my ear
And it's gonna be the sweetest sound
Yeah, it's gonna be the sweetest sound Feeling what I gave you, won't you let me save you
Gotta get you back into my world
Though I got a stonewall, break it down for your call
Better make me sure that I'm your girl Cause I wanna hear
Your voice inside my ear
And it's gonna be the sweetest sound
Yeah, it's gonna be the sweetest sound
Listen to me baby like you never had the choice
All I wanna hear is the sound of your sweet voice
And it's gonna be the sweetest sound
And it's gonna be the sweetest sound
Yeah, it's gonna be the sweetest sound
Yeah, it's gonna be...
