Got right the work,

No time to wonder where Craig Mac at
I been in the kitchen making fish snapback
RP Biggy, we still kept the faith
D rock still got you Jesus peace in the safe

Hold up, [?] with the church, I signed the bad boy
Got right the work,
Puff dropped the bag off on my door step
I'm a killer, I get paid for assassins more or less
No time to wonder where Craig Mac at
I been in the kitchen making fish snapback
RP Biggy, we still kept the faith
D rock still got you Jesus peace in the safeMe, 10 years consecutive balling
While you locking up these hoes
Started think you the sergeant

I'm shooting game at a bitch, that's for target practice
Gave her a couple hundreds, cause her a target mattress
Thug life till I die I'm on my Machiavelli

They locked up Jacob, for wash up dirty money

But they gonna do to me, I fuck them dirty money
My pockets looking chubby, they say I'm getting chubby
