

She Gets Me

Gary Allan

This life I chose, it's always been hard
Lots of tattoos and scars and broken hearts
And a woman's love, even hard for me to find
Keeping one's tough, when you're gone all the time
Ain't no easy man to understand
Thank God, she can
And she gets me, yeah, she gets me
And she takes me
Just the way the good Lord made me
All the thoughts that I can't hide
This wild and crazy rock and roll life
She knows won't ever set me free
She's the only woman I need
Yeah, she gets me
Yeah, she gets me
I ain't no 9 to 5, ain't no 40 hour week
I know I'm always chasing rainbows, she can't see
I know I'm hard to love and that's why I pray
God will give her patience and the strength to stay
'Cause I ain't no easy man to understand
Thank God she can
And she gets me, yeah, she gets me
And she takes me
Just the way the good Lord made me
All the thoughts that I can't hide
This wild and crazy rock and roll life
She knows won't ever set me free
Yeah, she's the only woman I need
Yeah, she gets me
All the thoughts that I can't hide
This wild and crazy rock and roll life
She knows won't ever set me free
She's the only woman I need
Yeah, she gets me
Yeah, she gets me, ooh
