

# The Pearl

Aly Bain & Phil Cunningham

The search of one true heart deep within you

The ocean will part the clearness of blue

Though the pearl eludes me while I'm sinkin still there's no finer thing

Diamonds do you justice only cause your beauty shines like a ringI want you more than everything

I want you more than everythingThe four winds on high of virtue they sing

It sharpens my eye determines these things .. determination

Though the pearl eludes me while I'm sinkin still there's no finer thing

Diamonds do you justice only cause your beauty shines like a ring

Fighting through the winter tempest I can hear the sea sirens singI want you more than everything

I want you more than everything

I want you more than everything

I want you more than everythingI feel your heart fades into view

The mist pulls apart and reveals the ...

Pearl eludes me while I'm sinkin still there's no finer thing

Diamonds do you justice only cause your beauty shines like a ring

Fighting through the winter tempest I can hear the sea sirens sing

Now I can find the gold and silver that I prayed tomorrow would bringI want you more than everything X5More  
than everything X8

OhhhhhhhhhMore than everything X3

OhhhhhhhhhMore than everything X2

Ohhh ohhhh
