Nobody's Fault But Mine

Robben Ford

I couldn't love you your way
Yeah, but you came to see me day by day
But now I miss you all the time
Ain't no heart can be as sad as mine
Ain't nobody's fault but mine

Let me talk to ya
What will I do tomorrow?
Burden down and suffer with my sorrow
But cryin' ain't gonna help me knock
I made a bad mistake
Ain't nobody's fault but mine

God, one day gonna pay for my mistakes
By and by, by and by
It's gonna carry me straight to my grave
By and by, by and by

Let me tell you somethin'
Instead of you tryin' to spend my money
Yet your favorite word was to call me honey
I was just a doggone fool
Tryin' to be so doggone cool
Ain't nobody's fault but mine

Yeah, I got to pay for my mistakes
By and by, by and by
It's gonna carry me straight to my grave
By and by, by and by, oh

Made a big mistake, yeah
And I did somethin' wrong to you
Nobody's fault but mine
Ain't nobody's fault but mine

Somebody help me now
I need a little bit of help right now
Ain't nobody's fault but mine
