

# Only Women Bleed

Alice Cooper

Man got his woman to take his seed  
He got the power, oh, she got the need  
She spends her life through pleasing up her man  
She feeds him dinner or anything she can  
She cries alone at night too often  
He smokes and drinks and don't come home at all  
Only women bleed  
Only women bleed

Only women bleed  
Man makes your hair gray, he's your life's mistake  
All you're really lookin' for is an even break  
He lies right at you, you know you hate this game  
He slaps you once in a while and you live and love in pain  
She cries alone at night too often  
He smokes and drinks and don't come home at all  
Only women bleed  
Only women bleed  
Only women bleed  
Only women bleed  
Only women bleed

Only women bleed  
Man got his woman to take his seed  
He got the power, oh, she got the need  
She spends her life through pleasing up her man  
She feeds him dinner or anything she can  
She cries alone at night too often  
He smokes and drinks and don't come home at all  
Only women bleed  
Only women bleed

Only women bleed  
Black eyes all of the time  
Don't spend a dime, clean up this grime  
And you there down on your knees  
Begging me, please come watch me bleed  
Only women bleed  
Only women bleed  
Only women bleed  
Only women bleed  
Only women bleed  
Only women bleed
