

If I Could Sing Like Bing

Dean Martin

Babababoo
Babababoo
If I could sing like Bing
How happy I would be
Babababoo
If I could sing like Bing
Perhaps you'd go for me
Babababoo
Babababoo
Now everyone agrees
That Bing's fun to hear
And if I don't do quite as well just make believe he's near
If I could sing like Bing
For ever more you'd hear
Babababoo, babababoo, babababoo
Babababoo, babababoo, babababoo
(If he could sing like Bing
How happy he'd be)
Babababoo, babababoo
(If he could sing like Bing Perhaps you'd go for him)
Babababoo, babababoo
Now everyone agrees
That Bing's fun to hear
And if I don't do quite as well just make believe he's near
(If he could sing like Bing)
For ever more you'd hear
Babababoo, babababoo, babababoo
Babababoo, babababoo, babababoo
If I could sing like Bing
How happy I'd be
Babababoo, babababoo
Perhaps you would go for me
Babababoo, babababoo
(Now everyone agrees that Bing's fun to hear)
And if I don't do quite as well just make believe he's near
(If he could sing like Bing
For ever more you'd hear)
Babababoo, babababoo
Babababoo, babababoo

Babababoo, babababoo
