

Fix Me (Acoustic)

10 Years

Fix Me Its taken a lifetime to lose my way
A lifetime of yesterdays
All the wasted time on my hands
Turns to sand
And fades in the wind Crossing lines
Small crimes
Taking back what is mine Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me
Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me So lost for so long
To find to my way
I failed to follow
Im out of place Crossing Lines
Small crimes
Taking back what is mine Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me
Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me Im fine in the fire
I feed on the friction
Im right I should be
Dont try and fix me
Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me
Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me
