I Go Blind

Hootie & The Blowfish

Every time I look at you, I go blind Every time I look at you, I go blind Every time I look at you, I go blind Every time I look at you, I go blindIn the mornin' I get up And I try to feel alive, but I can't Every time I look at you, I go blind I don't know what it is Something in me just won't give me a chanceI think it's that I feel more confused By the deal love has shown meLittle child, did you know that there's a light And it's gonna shine right through your eyes What do you think that life is like? Every time I look at you, I go blind, I go blindWell, somewhere over there, there's a purpose There's a care for free In me there's nobody, no one plan No one stand to be freeI think it's that because I have seen all the fuss And it's no big deal, no big dealHold me, hold me 'Cause I want to get higher and higher (Every time I look at you, I go blind) Higher thanHold me, hold me 'Cause I want to get higher and higher (Every time I look at you, I go blind) Higher thanHold me, hold me 'Cause I want to get higher and higher (Every time I look at you, I go blind) Higher thanHold me, hold me 'Cause I want to get higher and higher (Every time I look at you, I go blind) Higher than life
